

WHITE PINE

FIRE & ICE SHOW

JANUARY 14 & 15, 2006

Snow / Ice Sculptures Rules and Regulations

- All Sculptures must be free standing
- All Sculptures must be 100% Snow/Ice
- The use of color dye is prohibited
- Minimum Height/Width of sculpture is 6 feet.
- Maximum Height of sculpture is 12 feet.
- Sculptures must be frozen at time of judging.
(If you add water to your snow, be sure it has sufficient time to freeze prior to judging.)
- Importation of ice and snow is allowed, however, all sculpting/carving must be done on site.
- Each registered person will have an assigned place to build and exhibit their sculptures.
(If you need special accommodations due to a disability or importation of snow or ice, please let us know in advance.)
- The winning check will be administered at 6:00 P.M. January 15th, 2006.
By no means will the check be administered later than five (5) business days after the event.
- Please bring whatever tools you feel you will need.
- Water is only available by drilling a hole in the ice to access the lake water.
- Staff will be available all day, everyday, to help assist in your needs.
- There is no limit on when you need to start sculpting.
Early birds are welcome.

HAPPY SCULPTING
